## SUMMARY OF LAST EVENT: 'SAE BC Student Night'

SAE BC enjoyed another well-attended Student Night event, with presentations from UBC Supermileage Team, SFU Team Phantom Formula SAE Electric, and the host BCIT Racing team. The presentations were followed up with a visit to BCIT Racing's workshop.

SAE BC appreciates the enthusiasm and dedication all students place on these projects, and are eager to welcome these bright minds into industry. Good luck to all the teams in your competitions this year!

## QUESTION OF THE MONTH

Every month we will be asking a new mobility related question and post the best answers from last month.

**This month's question:**

***"How has the winter weather affected you this year?"***

Please email your answer to: [info@saebritishcolumbia.org](mailto:info@saebritishcolumbia.org) or enter your answer while filling out the online registration form for the upcoming event.

**Last newsletter's question:**

***"How will the upcoming Broadway subway line affect your commute? Should it extend to UBC?"***

**Selected responses:**

- We had overwhelming support for the extension. Only one person responded that they don't support the idea
