## UPCOMING EVENT: 'SAE BC Student Night'

**WHEN:** October 19, 2020, starting at 6:00 PM

**WHERE:** Most, if not all of our events will be hosted virtually this year. This event will be hosted through Google Meet. [Please register to obtain the meeting link.](#)

**WHAT:** Every year we start off with our annual SAE Student Night! We'll do the same for the 2020/2021 season. Students spend a considerable amount of extracurricular time working on design projects that include race cars, solar cars, extremely fuel efficient cars, off road buggies, autonomous sail boats and more. They implement advanced materials, electronics, algorithms, and analysis to make it happen. These are highly passionate students putting in the time and effort, learning lots, and pushing design limits in competition with a fully functional vehicle. The current conditions make working on these project challenging and the students would really appreciate your support!

**RSVP:**

[RSVP using this link: register.saebritishcolumbia.org](https://register.saebritishcolumbia.org)

And email: [info@saebritishcolumbia.org](mailto:info@saebritishcolumbia.org) for more information.

**COST:**

*Free for all to attend.*

## JOIN THE BOARD: 'Secretary, and Vice Chair'

SAE BC has two open Board positions. Please inquire if you are interested in getting involved. Supporting SAE BC looks good on one's resume as volunteer work for the community.

### **Position:** Secretary

**Description:** We are looking for someone who can attend each board meeting and using a laptop, record the meeting minutes along with action items as discussed. This is an important position and requires someone who can listen/understand/interpret and type/format documentation all at the same time. The position provides a significant amount of power to the person responsible, as they can influence the action item details and overall direction of the SAE BC Chapter. Supporting SAE BC also looks good on one's resume as volunteer work for the community.

### **Position:** Vice Chair

**Description:** A Vice chair is needed to help support SAE BC in general by attending local chapter meetings and helping to drive action items. The vice-chair may lead meetings when the chair is unavailable, and support the board as required. New ideas are always welcome. Supporting SAE BC also looks good on one's resume as volunteer work for the community.

## WELCOME NEW BOARD MEMBER: 'Membership & Corporate Liaison Recruiter'

SAE would like to welcome **Mithun Shetty** to the board.

The Membership & Corporate Liaison Recruiter leads the charge when it comes to increasing membership in general and engagement with local mobility companies. They are tasked with establishing connections with target companies and broadcasting news about our local chapter events, tours, and activities with the goal of increasing membership and support.

The BC Section of SAE International is now in its 74<sup>th</sup> year, since being officially designated as the SAE British Columbia Group on June 12, 1946. The Section has about 250 regular members with additional student chapter members at UBC, UVic, SFU and BCIT.

The majority of our Members live and work in the Lower Mainland, and represent a wide spectrum of technical interests. We have a regular program of local events, mostly centered in the Vancouver area, although we have had meetings elsewhere in BC on occasion.

### KEEP RECEIVING OUR NEWSLETTER

If you are an SAE member, but did not receive this e-mail directly, you may have opted out of SAE e-mails. Please log into SAE.org, and under mySAE, Account Profile, Communication Preferences, please ensure the following item is checked:

### 2020-21 TENTATIVE SCHEDULE

**Most events will be held virtually this year so you can join remotely.** Below is a list of the upcoming events for this season. **Please mark your calendars!** Events are typically held on Mondays unless stated otherwise. Please note that the Board Meetings are open to anyone. Please let one of the board members know if you are interested in attending and/or getting involved!

*A reminder to Professional Engineering members that attending SAE events contributes to their Continued Professional Development (CPD) as outlined by Engineers and Geoscientists of BC.*

October 19, 2020	Student Night	February 8, 2021	Board Meeting
November 16, 2020	Board Meeting	March 2021	Event
November 23, 2020	Speaker: Gregory Peterson	March 15, 2021	Board Meeting
December 14, 2020	Board Meeting	April 12, 2021	Board Meeting
January 11, 2021	Board Meeting	April 26, 2021	Student Showcase Event
January 25, 2021	Speaker: Herman Tang	May 10, 2021	Board Meeting

### VISION STATEMENT

A society dedicated to supporting mentorship, career growth and networking for our members and the local mobility industries in BC.

### MISSION STATEMENT

To be the #1 resource for events, networking, and career support for mobility Engineers and the Industry in BC.
